

NISPY NEWS #10!

THE END!!

Well, that's all folks! This is it, your final Nispy Newsletter forever and ever! Don't cry, true, all good things must come to an end, but so must this newsletter. We promised you'd all be recognized so I think it's fine time for...

to Yosh for the dance and for our next album (yes, that's Brian's bass you're hearing!!!).

The weirdest spelling of Christina award goes to...

Paul Frasco!! Oh, wait, there has been a change... the winner is... Krystyna "Tigger" Bartnikowski! It was a close one. Thanks Krystyna, you've always been enthusiastic about us and a great friend, especially considering you've been in St. Louis most of the time! Oh, and Paul, if you're reading this, thanks for the free movie tickets!

The most letters award goes to... Jason "(Not Pole)" Forden!!

Over the past 10 issues you've sent in 3 letters! Go you! Actually, so did Vic, but he gets another award. Also Jason, thank you so much for your help at the dance with lights and everything. You and Jim really came through!

The who the hell are you award goes to...

Aaron "Ruckartig Junge Der Kasmann" Hatter!! Of all the subscribers who we've never seen before, you're quite possibly the best! Seriously though, we really do appreciate your blind investment in a buncha freaks from Dallas, Plano & Garland... and who the hell are you??

Nispy's big loser

Awards

The Rob Allen award goes to... Our very own, Rob Allen!!! That's right, well Rob, if ever we had a true dedicated Nispy lover it would be you. Thanks for your support in the talent show, our dance and by subscribing to this piece.

The most random Nispy fan award goes to...

Coke (Brian) "Velcro-Smurf" Bartlett! Brian, you came out of nowhere around issue #5 and subscribed for no particular reason. Thanks for lending your bass

The hardest subscriber to get the damn newsletters award goes to...

Alison "Alison" Camp! Sorry about a certain somebody's

incompetence in delivering them to you. By the way, did you ever get issue number 8?

The "oh wait you're in the band" award goes to...

Ryan "F*Ball" Lafield! You subscribed, and the next thing ya know, you're in the band. Wow, that's cool.. Isn't life delicious?

The closest relation to Yosh award goes to...

Kim and Paul and Hannah and Nicholas Fisherkeller. This was a toughy. We ended up flipping a coin on it. Congratulations and thanks for the Yosh support.

The least interested in Nispy award goes to...

Shane "Egg" McMahon! That's right! Shane doesn't give a flying dog hymen about Nispy or our music. He only subscribed for the "Shane is an Egg" comic that ran until about issue 5 (talk about us selling

out!). Well Shane, thanks for the money anyway. Are you even reading this???

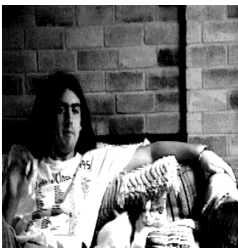

The best physics/chemistry teacher in the world with a mild interest in the pointless garbage some former students felt like churning out award goes to...

Uh... It was a 16 way tie between everybody... so we'll give it to... Angie "Mrs." Melcher!! Thanks for being (or at least pretending to be) interested in our band! I think a teacher with enough interest to pay \$5 to get a tape and read this crud and so her students could have pizza while practicing goes beyond what the Jesuit School asks of its teachers. I think this is true because no other teacher subscribed. Any way from all of us to the one of you, "Thanks a bundle and half."

The broke/borrowed the most strings from Pierre award goes to... Michelle "Turtle" Powers! You still owe him, what, 300 packs??? Anyway, thanks for letting us use your guitar/amp/pedal/etc. You really made a difference! And thanks for the support, especially for spreading Nispy posters all over Ursuline! That's a better vandalism job than Jesuit managed to do...

The biggest Nispy fan in the world award goes to... Vic "Lizard King" "God of Diaper Pins" "Doc Hellfire" "Louis" "Unrepugnant Autographer" Ruiz (pronounced Reez)! Yeah, you probably

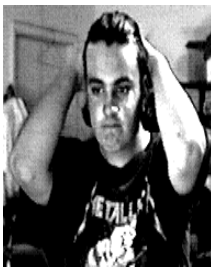

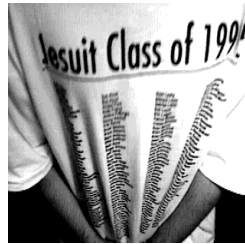

saw this coming. Vic, thanks for supporting Nispy even before we were Nispy. You were at every event you could make it to, listened to every "official" tape we churned out, read every load of ?#o* Newsletter we sent you and went above and beyond the call of being an official

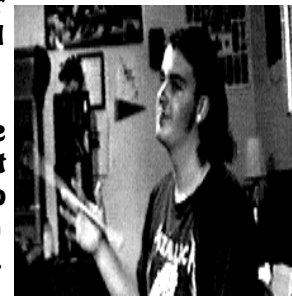

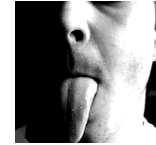

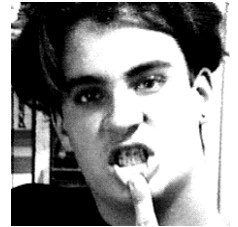

complete loser Nispy fan. We oughta buy you a hat. But those are too expensive. If we ever make it big, we'll send you a hat. Hell, you can tour with us and carry heavy equipment around. You're probably saying "Hell, a royalty check do it," but it's not like we're ever gonna make it big anyway.

The most often confused with each other by the administration here at Nispy award goes to... Jake and Luke Vander Linden!! Or was that Luke and Jake? I would probably be better at this but I haven't seen the two of you for about two years!!!! Thanks for your support anyway! Oh, and tell your mom "WE LOOOVE YOU!!!"

The biggest help at the dance (besides Jim but he doesn't subscribe so he doesn't get an award) award goes to... J.R. "?" Yarbrough! Wow, you made it all work. If you hadn't been there it REALLY would have sucked!!!! Thanks a lot!

lives in Kentucky. To bad none of you other people will ever get to meet him. He's the coolest person on the planet.

The putting up with Yosh for 14 years (and running) award goes to... Eric Wilkinson!!! For those of you who don't know, Eric is a friend of Yosh's who
