Issue # 5!

## All Righty Then!!

Yes!! I'm starting this wonderful issue 5 newsletter at 11:21 PM, Sunday the 14th of August. My hard drive is installed (HAPPY!), though I have no monitor

(640x400 on a TV. Great.). Any-who, now it's like 9-4-94... Ooh! Neat! That doesn't happen very often! We have to wait until like, uh 9-5-95 and stuff.

Anyway, "Raunchy Display of Moron" is out and most of you should have a copy. (It's \$3 for non-subscribers.) We're all just wetting our little pantsies about it over here.

Well I have to go water the cat's... They're barking again... Or the wallpaper needs dry-cleaning... Actually, Keith Richards is on my toilet and he won't stop talking.

Hi, don't read or subscribe to this stu\*id newsletter because it's a huge waste of time and this is a sentence that will not end for a long time because Rick's period button is broken and his brother ate it because his mom didn't go to the grocery store because she had to go to swimming lessons because she wants to drive to my winter of sorrow because this is a ground breaking experiment in attention span and moronity because you are a suck because of the inflation on the prices of hampsters and digital answering machines because of the giant thing that hides in my ear because he is really hungry. The giant end.

Because.

Hey Amazing Editor Guy,

Pole here (again)! Anyway, I'm writing in referal to "Shane's an Egg." I think Shane should hatch into a pterodactyl with 2 heads, but only have one wing. He should have 3 feet, but only 2 legs. He should be really muscular, but only be 2 feet tall. His name should be Oxymoron, too... Or maybe just "screwed up."

Forever estranged,

## The Amazingly Suck column.

by Chiquita I

Well, This stupid thing is finally done. The latest and greatest heart-warming nuze of today and some time before and after is the huge amount of responsitative feedback we've so humbly received in light of the wonderfully horrible demo tape of ours, "Raunchy Display (etc.)" Here's just some current info. on what we got.:

We have sold uh... 1,2,3, 8 tapes and 3 more subscriptions!! Cool. Tell me again why I shrunk the font.

OK. Don't tell anyone, but I think we may just be playing at a dance in October!! Yeah, yeah... If it happens, PLEASE BE THERE! Or we'll be just so... So utterly alone! (Sniff!)

OK, today's concept:  
Jenga: Travel edition.  
Think about it.

Aside from all of that, look for some more covers (Green Day? Perhaps a little bit-o-Offspring?) as well as not much else. We

have no more letters to print in the "Letters" column!! Send some! Oh well. I'd better go. I have better things to do. Well, no I don't, but I don't want to tell anyone that. Oops I just did. Boy, I'm just a loss. Sigh. I mean (sigh). Sorry.
