

And so it is...

I'm not entirely sure what that means... but I'm sure it isn't important in the slightest. **ANYWAY!** We continue work on our still nameless album. I have very carefully calculated that we are at this point in time, approximately 19.764705882% done with the album I won't bore you with how.

We here at Nispy Central are celebrating our 9th issue this issue with a special "Issue #9" issue of our newsletter (this special issue #9 issue will be replacing the ordinary issue #9 issue you would be issued had this special issue not been an issue). Anyone sending in a letter with more "issues" in one sentence than that will be made fun of immensely.

As most of you probably know, we did not get into the talent show with our "special" version of Frozen. The only bands that seemed to get in besides the wonderful "Tenor Madness" was the band to whom the judges specified their favorite song the band should play. Hmm....

EDITMORON

All righty then!!!!
Well it's about FRICKIN' time!!!
Here's some letter(s) from those who care...

Dear Nispy EditMoron:

I was just realizing that there are 3 things I just realized, well actually 4 things, one of which is that.

- (1) Joanna has been an unrecognized subscriber and deserves like 2 or 3 issues or something.
- (2) No one writes to you idiots and I wonder why.
- (3) ... I just realized I forgot what the third thing was, so I guess that's five things.

I really enjoyed spending that little studio time with you guys a few weeks ago. Especially when Hookie the Tuna came in (or was that something else?). There, now Nispy can have a mail page again. Great!

POLE

(I never use that name except in these letters)

P.S. I hope Dawn enjoyed her whipped cream, and that Chris did, too.

Dearest Jason (Pole?) Forden,

Thanks for sharing your realizations!!!

Remember kids, all realizations can be sent in to The EditMoron at:

Oh, I love the postal service
5902 Galaxie Rd.
Garland TX 75044

Well, we took a reader survey behind your back in response to all of your realizations. Let's see what your public thinks:

- (1) "No, I never sent any money in. I didn't subscribe."
-Joanna
- (2) "Write in or die. We have your addresses"
-EditMoron
- (3) "Five?"
-Bill Clinton

Thanks, and don't be afraid to write in again! Oh, you don't have to sign "Pole" if you don't want to, it's a free country... oh it will be...

Re: Your lack of letters

Rick told me to write a little blurb for the letter section to fill up space. "Hey I I I I'm still alive yeaaaaah I I I I'm still alive!" (Rick also told me to write that I'm still alive.) So like do something this summer, dudes. How about hiking, indoor rock climbing, innertubing down the Brazos, a road trip to St. Louis with me, Scarbourough Faire, Wet 'n Wild, and hey you - yeah you, the lazy one - you got any suggestions? I know, everybody's working, so @#!;ing what? Let's do stuff anyway, party our brains out and bond (no *that* type of bonding!) this summer.

♥ The social chick, Tigger

P.S. You know they've gone to far when you walk through the airport and hear Blind Melon's "No Rain" muzak style! ARG!!!

To: Tigger

Re: Huh huh my butt

Huh huh huh she said "bond."
Heh heh yeah she said "wet" too.
Huh huh that's pretty cool, Beavis.
Hey, she put a heart on her letter.
Huh huh she put a *what* her letter?
A heart on... oh yeah heh heh heh.

YOSH'S WET PRETZEL

Well, today is saturday and I finally don't have work so we can get deux more songs out of the way.

Anyway, on to juicer, & much more smelly things. Ryan. You will now get to witness the struggle of trying to contact Ryan at any given time. Ok, here it goes:

Yosh: 350-4315
Phone: Ring
Yosh: Come on Ryan
Phone: Ring
Yosh: Hey Rick, how much do you want to bet he's not home?
Phone: Ring
Answering Machine: Blah, blah, Blah, Blah.....I love you Jamie.
Yosh: Ryan, where the hell are you?

Anyway, I know this has been a rather normal column so I apologize. Don't forget to feed the antelope and the South American Prunella. And thats all I have to say about Viet-Nam.

PIERRE'S INVERTED THROAT

Howdy, sports fans! Hey! That's not my pick! HAHA!!! Anyway, my name is Pierre and I DO CARE, thank you very much. Well, right now, we are basically trying new and exciting things. And now a music lesson.

- 4 4/4 time has 4 beats
--- per measure. It is used
4 in "Enter Sandman."
- 5 5/4 time has 5 beats per
--- measure--that's 20% more
4 beats per measure!
- 6 6/4 sounds just like 4/4,
--- but with a hap. Just kidding.
4 It adds a bar of 2/4..
- 29 29/17 time is rarely used.
--- It is in an upcoming song we
17 like to call "squandering."

We are now watching the "traffic channel" (yes, it DOES exist!) Which brings me to a joke.

A doctor, a helper, and an orange were at a stop light. The doctor went when the light turned green, The helper went when the light turned green, and the orange just stood there. A policeman came up to the orange and said "When are you going to go?" And he said "Orange you glad I wear no pants?"

HA!!! HA!!!!
Well, see ya later. Bye

Amazing's Sucky Column...

Well, I'll keep it brief... My calculation on album completion is no longer valid, I'm guessing we're about 40.??% done... Almost all the drum tracks are recorded (*whew!*)... We may be playing open mike nite sometime at the Across the Street Bar... YES I'm single again quit asking (Brian!)... next issue will include the tape and it will be our FINAL issue (sniff!!!)... it will also include lyrics to all songs on the tape, and you pay NOTHING. Wow. What a deal. And I pay for STAMPS (@#!;!!! You will all be updated on all future Nispy events, thank you ALL for your support throughout the past years. You're help will be duly noted. By the way, my current E-mail address is...

Amazing@sys522.chatlink.com

You will be informed when this changes... If you leave me mail!!! That's all for now, geez we're busy. Well, this wasn't exactly brief was it?? Ok, so bite me. Here's some of my favorite quotes:

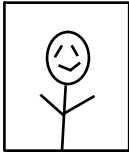

"F.M.I.O.H!" -Ryan Lafield

"We are young, wandering the face of the earth, wondering what our dreams might be worth, learning that we're only immortal for a limited time"-Rush

"Is there something I should find to make plans for forever?" & "I'm so damn bored I'm going blind and I smell like shi*"

ALLRIGHTY THEN!!!!

Since our good friend Ryan took the liberty of writing the longest column in history, we denied him his photo privileges. Actually, we've just used all of his pictures already. Well, yes, next issue will be the big grand finale, so get your type-writers a writin' and type us up that letter you've been putting off until the last minute, 'cause the last minute is here. YES THAT MEANS YOU!!!! OK. It should be out sometime in June (WE HOPE!!)

Here's some (MORE) info on this mysterious upcoming album that you've heard us talk about over and over and over...

New Songs:

1) Mommy Hit Me- One day I said, "hey let's make fun of death metal because the singers are just so wacky." Then I said "and how come everybody's whining in songs about their families?" Now we have this wonderful song. Hee hee.

2) Water the Cat-OH! This song is AWESOME!

3) Slab- Cool Yosh song. He plays guitar and I (try to) play bass!

4) Imbroglia- Another cool Yosh song. I don't know much about this one, except that it kicked my a*s. Oh, and Pierre's on bass, Yosh on guitar (again!?).

5) Sophie's Butt- Pierre's masterpiece... I think you'll like it... I *know* I do.

6) Unwritten Rule- Another cool Pierre song. We all still have to learn how to play it though...

7) At Risk- My little song based on the chord progression thingy of that wonderful song "Canon in D" except it's not in D. It's like in uhh... G or something.

8) Shut Up!- My other little song with a neat-o bridge part at the end.

9) This Is the END!!!- This will be the greatest Nispy song ever recorded. I promise. Why don't you ever believe me?

+ PLUS +
Underwear, Frozen, Trout, & Away.
